BIJAN LAUFER

THE ART INTERIOR DESIGN

REFURBISHMENT OF AN OLD COUNTRY HOUSE

By *Raquel Chamorro, interior designer*

Interior designer Raquel Chamorro designed this refurbishment of a typical 17th-century country house in Mallorca.

Surrounded by landscaping that has been carefully designed down to the last detail, this Santanyi stone construction transmits serenity and invites hedonism. The interior is a harmonious combination of antique pieces, works of art and contemporary furniture designed by the interior designer herself. A colourful floor gives personality to this house, which balances the local and the cosmopolitan.
